

Notes for "Sept 11th in Bible Prophecy" MP3 at www.TheLatterRainIsNOW.com

1. The latter rain starts with a sprinkling, before the outpouring as it did with the ONLY 2 other models we have for the LR (AD31 & 1888). In 1888 it started to sprinkle before any Sunday Law had been passed. In 31AD Christ breathed on His disciples before the Pentecostal outpouring. 2 different stages are identified in the text of Rev 18, as Rev 18:1-3 is the sprinkling and "another voice" speaking from v4 onwards is the outpouring.
2. The LR is a *message* as it was in AD31 (a risen Saviour) and 1888 (Righteousness by Faith).
3. Ezek 37:9 it says that the "wind" (Heb: ruach) or holy Spirit will come from a prophesy of the 4 winds.
4. 20MR 216&7 EGW says 2 things about Ezek 37:9. 1). The breath is the holy Spirit breathed on the SDAs at the end of the world, and 2). That the 4 winds are represented by an angry horse. **"Angels are holding the four winds, represented as an angry horse seeking to break loose and rush over the face of the whole earth, bearing destruction and death in its path. Shall we sleep on the very verge of the eternal world? Shall we be dull and cold and dead? Oh, that we might have in our churches the Spirit and breath of God breathed into His people, that they might stand upon their feet and live."** 20MR 216&7.

The bold type above shows that 20MR 216 & 217 links Ezek 37 with Rev 7, to show us that they are correctly interpreted when placed together. It places the prophecy at the end of the world. It tells us that Ezekiel 37 is talking about the latter rain falling upon the SDAs. It identifies the four winds as Radical Islam, and says the conflict will escalate into World War III.

5. The 4 winds/angry horse is radical Islam.

Ezek 37:9 it says that the latter rain will come from a prophesy of the 4 winds & the **only** end time prophecy of the 4 winds is found in Rev 7:1-4. Rev 7:1-4 uses identical language as Rev 9:4 therefore is the same entity. GC334 etc. and the 1843 and 1850 Charts prove Rev 9:4 to be radical Islam. Therefore the 4 winds in Rev 7:1-4 are also radical Islam. This fits with EGW saying the 4 winds are represented by an angry horse, as in the 1843 & 1850 Charts God used an angry horse to represent radical Islam in Rev 9. There are about 4 quotes that say God was in the publication of the 1850 Chart, or the 1843 Chart was exactly how God wanted it etc.

Radical Islam is also represented as war horses, wild horses etc. in Rev 9:7,9,16,17 & Gen 16:12 (Hebrew = wild ass).

So Ezekiel 37:9 says that the latter rain comes from a prophesy of radical Islam being loosed and then immediately restrained. This did indeed happen on Sept 11, 2001. Radical Islam was immediately restrained in the War on Terror. EW38 elaborates on this by saying there is an event at the end of the world, during the sealing of the 144000, where the 4 winds/radical Islam break loose but are immediately restrained:

EW 38, "I saw **four angels** who had a work to do on the earth, and were on their way to accomplish it. Jesus was clothed with priestly garments. He gazed in pity on the remnant, then raised His hands, and with a voice of deep pity cried, *"My blood, Father, My blood, My blood, My blood!"* Then I saw an exceeding bright light come from God, who sat upon the great white throne, and was shed all about Jesus. Then I saw an angel with a commission from Jesus, swiftly flying to the four angels who had a work to do on the earth, and waving something up and down in his hand, and crying with a loud voice,

"Hold! Hold! Hold! Hold! until the servants of God are sealed in their foreheads." I asked my accompanying angel the meaning of what I heard, and what the **four angels** were about to do. He said to me that it was God that **restrained the powers**, and that He gave His angels charge over things on the earth; that the **four angels** had power from God to **hold the four winds, and that they were about to let them go; but while their hands were loosening, and the four winds were about to blow**, the merciful eye of Jesus gazed on the remnant that were not sealed, and He raised His hands to the Father and pleaded with Him that He had spilled His blood for them. Then another angel was commissioned to fly swiftly **to the four angels and bid them hold**, until the servants of God were sealed with the seal of the living God in their foreheads."

1st Woe and 2nd Woe = 3rd Woe

If you consider that in Rev 9, under the 1st Woe radical Islam "hurt" the army of Rome, and then in the 2nd Woe radical Islam "kills" the army of Rome, we know that radical Islam's prophetic role in the 3rd Woe is to first hurt and then kill the army of Rome. And "hurt" the army of Rome (now the USA - see Rev 13) they did on (and since) Sept 11, draining them of finances in Afghanistan and Iraq and now the problems that Pakistan and Iran are causing them.

So when Radical Islam are loosed, they are loosed to hurt and then kill the army of Rome. That is their prophetic role. So if you agree Radical Islam was loosed then restrained on Sept 11th, then you should understand that they would have to hurt the USA at that time.

I believe that 9/11 was an inside job, which also matches Bible prophecy. In the 2nd Woe, it was not just radical Islam that brought down Rome. The dragon power, atheistic France, helped kill the army of Rome by capturing the pope in 1798. Thus in the 3rd Woe (now) we should see radical Islam as well as a Dragon power attacking the USA (army of Rome). TM38 says the Dragon power is "kings and governors and rulers", i.e. the New World Order powers; and on 9/11 we did see the NWO & radical Islam to hurt the army of Rome and then radical Islam immediately restrained.

So to conclude, Ezekiel 37:9, EW38 and Rev 7:1-4 says that the sprinkling of the latter rain comes from an event where radical Islam, in cahoots with the NWO powers, hurts the USA and is then immediately restrained. Did you know that EGW also says that this sprinkling stage will come when tall buildings in New York are thrown down?

"How comes the word that I have declared that **New York** is to be swept away by a tidal wave? This I have never said. I have said, as I looked at the **great buildings** going up there, **story after story**, 'What terrible scenes will take place when the Lord shall arise to shake terribly the earth! **Then the words of Rev. 18:1-3 will be fulfilled.**' The whole of the eighteenth chapter of Revelation is a warning of what is coming on the earth. But I have no light in particular in regard to what is coming on New York, only that I know that one day **the great buildings there will be thrown down** by the turning and overturning of God's power. From the light given me, I know that destruction is in the world. One word from the Lord, one touch of his mighty power, and **these massive structures will fall.**" RH, July 5, 1906 par. 14.

Why did EGW specifically say Rev 18:1-3 in this quote, and not just Rev 18? It is because v1-3 are only the sprinkling stage of the LR (v4 is "another voice"), and EGW says this sprinkling stage is to arrive when great buildings in New York are thrown down.

So to conclude:

1. The latter rain is a message
2. The latter rain is sprinkled before it is poured out at the Sunday Law.
3. The latter rain is salvational.

4. Ez 37:9 says the latter rain comes from a prophecy the Four Winds.
5. The only end-time prophecy of the Four Winds is Rev 7:1-4
6. Rev 9:4 & 20MR 216&7 proves that Rev 7:1-4 is talking about Radical Islam.
7. The similar language of the 1st Woe and Rev 7:1-4 proves that Rev 7:1-4 is the Third Woe.
8. All of Rev 9 proves that the prophetic role of Radical Islam at the end of the world (Third Woe) is to first hurt then kill the USA.
9. Rev 7:1-4 says that Radical Islam will be loosed (to hurt America) and then immediately restrained before the end of the world.
10. So the sprinkling of the latter rain will come when Radical Islam are loosed to hurt the USA and are then immediately restrained (War on Terror).
11. RH, July 5, 1906 par. 14 (quoted above) says that buildings have to come down in New York when this exact event happens.
